

Edgebanding for a Zero-Glue-Line

FUSION EDGE

EDGEBAND PERFECTION

FusionEdge offers a factory pre-applied proprietary coating that is consistent and color coordinated with the Edgebanding ensuring an invisible bond. Since the coating is already pre-applied on the Edgebanding, customers do not have to apply any adhesive thereby increasing their productivity. FusionEdge works with all current joining technologies and heat sources: laser, NIR and hot-air.

**Doellken FusionEdge results in a
*perfect bond with an invisible glue line.***

This innovative Edgebanding technology is also available in over 100 colors from stock in single rolls through the company's vast distribution network. Custom colors and sizes are also available upon request.

FusionEdge: superior Edgebanding that guarantees higher product quality for furniture manufacturers and cabinet makers through a perfect and durable joint provided by the market leader.
